TRAINING WITH CREDIBILITY

THE PNG INSTITUTE OF MANAGEMENT (PNGIM) LTD

ABOUT PNGIM

The PNG Institute of Management Ltd (PNGIM), operates as a Private Training Provider in Papua New Guinea (PNG). PNGIM is accredited with the National Training Council (**NTC No. 112**)

Associated with The Management Institute, Australian Institute of Management and the New Zealand Institute of Management

PNGIM was created to strengthen its association with the New Zealand Institute of Management and later the Australian Institute of Management in order to enhance its ability in providing quality management training and skill development opportunities for employees in the Papua New Guinea workplaces.

The association with the New Zealand Institute of Management (NZIM) Inc., and the Australian Institute of Management has provided opportunity for many to benefit from international quality training in PNG.

POSITIVES OF PNGIM

- ◆ Strongly believes in and supports women empowerment, hence 50 per cent of our staff are women.
- ◆ Providing quality, up-to-date training since 2007 and associated with the Australian and New Zealand Institutes of Management
- ◆ All trainers and courses accredited with NTC
- ◆ Suitable for in-house/corporate training
- ◆ Do post training evaluations and reports
